You are invited...

...to walk the labyrinth at Community of Faith.

Come early to Presbytery and walk the meditation labyrinth. The labyrinth at Community of Faith is approximately 120 feet in diameter and mowed from high grass which gives a natural and pleasing environment for the walker. The design, known as a "Baltic Wheel," features a single path to a sitting area in the center. From the center there is a direct exit. Come and spend time in meditation and prayer.
